Citing a website:

Last, F. M. (year month date published) Article Title. Website Title. Retrieval Date month
year day from URL

Can't find the author the title of the website comes before the date

It only goes on your reference page if you use it in your paper.

Looking for a Book? Try your library Catalog. There is a link on your computer desktop.

Also available from the district homepage under students and parents click on the link.
