   Password: kenai

CIA World Factbook
Choose your country from pull-down menu or enter country name.
(no password required)

Country Reports
   Login: kmiddle
   Password: student

GIVING PROPER CREDIT: When you do research for a project, it is important to give credit for anyone's words or ideas that you use. If you don't, you are guilty of plagiarism-presenting someone else's work as if you wrote it yourself. How do you cite your sources?
