GIVING PROPER CREDIT: When you do research, it is important to give credit for anyone's words or ideas that you use. If you do not, you are guilty of plagiarism-presenting someone else's work as if you wrote it yourself. How do you cite your sources? Your citations should look very similar to these examples:

Brazil. (2019, September 24). Brazil. Retrieved October 4, 2019, from

<https://www.cia.gov/library/publications/the-world-factbook/geos/br.html>

CountryReports (2019) <CountryReports>[Electronic version]. Retrieved Mon. Oct. 4,

2019, from <http://www.countryreports.org/country/Brazil/government.htm>

Hanley, A. G. (2019). Brazil. In World Book Student. Retrieved October 4, 2019 from
